

CAUTIONARY STATEMENT

Any external information on this website leading to a website, article or press release is for informational purposes only and does not constitute an offer or solicitation to sell shares or securities in Graphene Manufacturing Group Ltd (“the Company”) or any related or associated company. The information on this website is of a general nature and none of the information or analyses presented are intended to form the basis for any investment decision, and no specific recommendations are intended from this information. The information and content on the website does not constitute investment advice or counsel or solicitation for investment in any security. This website does not constitute or form part of, and should not be construed as, any offer for sale or subscription of, or any invitation to offer to buy or subscribe for, any securities, nor should it or any part of it form the basis of, or be relied on in any connection with, any contract or commitment whatsoever. You are responsible for forming your own opinions and conclusions on such matters and should make your own independent assessment of the information and seek independent professional advice in relation to the Information and any action taken on the basis of the information. To the maximum extent permitted by law, the Company makes no representation or warranty (express or implied) as to the accuracy, reliability or completeness of any information contained on the website. To the maximum extent permitted by law, the Company expressly disclaims any and all responsibility for any direct or consequential loss or damage of any kind (including liability to any person by reason of negligence or negligent misrepresentation) whatsoever arising directly or indirectly from: (i) reliance on any information contained in the website, (ii) any error, omission or inaccuracy in any such information or (iii) any action resulting therefrom, except liability under statute that cannot be excluded.

FORWARD LOOKING STATEMENTS

Certain information contained herein constitutes “forward-looking information” under either or both Australian and Canadian securities legislation. Forward-looking information includes, but is not limited to, statements with respect to: the commercialization of the Company’s technology and patents; risks related to current global financial conditions; delay in obtaining financing. Generally, forward-looking information can be identified by the use of forward-looking terminology such as “expects” or “it is expected”, or variations of such words and phrases or statements that certain actions, events or results “could” or “will” occur. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information, including: cycling, charging, capacity, target markets, target cost-reductions, target partners, capital expenditures, raw material and other costs, and financing and additional capital requirements.

Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Actual performance may vary materially from the forward-looking statements and the assumptions on which those statements are based. Accordingly, readers should not place undue reliance on forward-looking statements and forward looking information. The Company does not undertake to update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws.

The Company expressly warns readers not to rely on the information herein for investment or other related purposes. Accordingly, any use of this information is at the reader's risk and without liability to the Company. The information contained herein is not to be construed as either a public or private offer or solicitation to purchase securities in the capital stock of the Company. The reader is referred to his/her professional investment advisor regarding investment or related decisions respecting the securities of the Company.

VIDEO & IMAGERY CAUTIONARY STATEMENT

The TSX Venture Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of video and imagery on this website. Certain information contained in any video and imagery constitutes "forward-looking information" under Canadian securities legislation. Forward-looking information includes, but is not limited to, statements with respect to: the commercialization of the Company, third party agreements, technology and patents. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "expects" or "it is expected", or variations of such words and phrases or statements that certain actions, events or results "will" occur. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information, including: cycling, charging, capacity, target markets, energy savings, friction reduction, target cost-reductions, target partners, capital expenditures, raw material and other costs, and financing and additional capital requirements. The Company does not intend, and does not assume any obligation, to update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws. Audiences should verify any and all claims and do their due diligence before investing in any securities mentioned. Investing in securities is speculative and carries a high degree of risk and complete loss of investment.
