

Privacy Policy

At Graphene Manufacturing Group we understand and appreciate the value of Privacy to individuals, it is our aim to ensure that personal information is only requested if necessary and private information is stored, protected and disposed of in accordance with legislative requirements which are managed in our Information Management Standard and associated procedures.

We may request personal information about an individual or company when it is reasonably necessary, such information may include:

- Information about you, your circumstances or your family or related persons
- Information about your interactions with us, financial transactions with us, feedback about our interactions or applications you have made with us
- Information to confirm your identity

We may collect your information through varying channels, including paper form, online searches or face to face and electronic correspondence.

People are encouraged to contact us at any time to discuss the management of personal information by GMG.
